

Model 7031-BN Helm Pump

The Kobelt 7031-BN Helm Pump is constructed totally in bronze and stainless steel except for the bearings, pistons and pintol which are made of hardened and ground steel. Because of this, it can be installed anywhere on the boat. It is a true marine product and is covered by the standard Kobelt warranty.

The 7031-BN Helm Pump is a fixed displacement pump and produces 2 cubic inches per turn. It is rated for 2000 psi maximum operating pressure.

It has a black epoxy finish and a short tapered shaft. It may also be ordered with a long tapered shaft.

DIMENSIONS AND PARTS LIST MODEL 7031

ITEM	QUANTITY	PART NUMBER	DESCRIPTION
1	1	7031-0001	Front Housing
2	1	7031-0002	Rear Housing
3	1	7031-0003	Seal Retainer
4	1	7031-0004	Rotor
5	5	7031-0005	Piston
6	1	7031-0006	Lock Valve Body
7	1	7031-0007	Pintol
8	1	7031-0008	Pin
9	1*	7031-0009	Shaft (Long)
